INTERNATIONAL SEMINAR ON INNOVATIVE CLIMATE CHANGE EDUCATION  
FOR SUSTAINABLE DEVELOPMENT IN THE CONTEXT OF K TO 12 CURRICULUM

The Western Visayas College of Science and Technology (WVCST) in collaboration with the Southeast Asian Ministers of Education Organization and Regional Centre for Education in Science and Mathematics (SEAMEO-RECSAM), in Penang, Malaysia and the Association of Science and Mathematics Coaches of the Philippines (ASMaC Philippines) will hold the *International Seminar on Innovative Climate Change Education for Sustainable Development in the Context of K to 12 Curriculum* on the following dates and venues:

Date	Venue
April 23-25, 2013 (Luzon)	National Capital Region (NCR), RELC Marikina
April 29-May 1, 2013 (Visayas)	Grand Hotel, Iloilo City
May 7-9, 2013 (Mindanao)	Holy Cross of Davao College, Davao City

The Seminar aims to:

1. elucidate the critical links between real-life problems and the various academic disciplines or learning areas in the school K to 12 Curriculum;
2. equip the participants with concrete learning management tools which can catalyze the acquisition of an integrated knowledge and development of problem-solving and communication skills among students and teachers as they are challenged with real-life problems on the ground; and
3. give them insights of the project outputs taken from the five participating SEAMEO member countries.

The target participants to this activity are curriculum specialists or developers, subject area supervisors, secondary Science, Mathematics, English, Economics teachers, and other educators who would like to help craft a framework of an effective learning system to address the real-life issues.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
