#### UNITED NATION'S MY WORLD SURVEY

The United Nations (UN) through the United Nations Information Center (UNIC)-Manila announces the conduct of its *MY World Survey* from February 14 to April 30, 2013.

MY World (<http://www.myworld2015.org/?partner=unicmanila>) is a global survey for citizens led by the United Nations and partners. It aims to capture people's voices, priorities and views, in order to inform the global leaders as they begin the process of defining the new development agenda for the world. Through creative online and offline methods, MY World asks individuals which six of sixteen possible issues they think would make most difference to their lives.

The target participants to this survey are pupils and students from elementary and secondary schools nationwide through on-campus survey.
