ANNUAL NATIONAL CONVENTION OF THE PHILIPPINE SOCIETY
OF AGRICULTURAL ENGINEERS (PSAE)

The Philippine Society of Agricultural Engineers (PSAE) will conduct its *Annual National Convention* with the theme *Agricultural Engineers as Catalysts Toward Sustainable Food Self Sufficiency and Global Competitiveness* on April 22-26, 2013 at the Cagayan State University (CSU) Amphi Theater, Andrews Campus Tuguegarao City, Cagayan.

The Convention aims to:

1. provide the participants with the development and trends of agricultural engineering practices and technologies in the area of farm power and agricultural machinery, post harvest and agro-processing, renewable energy, agricultural buildings and structures and irrigation, soil and water conservation and management; and
2. upgrade their professional capabilities in line with the implementation of the K to 12 Basic Education Program and practice of their profession in their present job.

The target participants to this activity are agricultural engineers nationwide.
