SPEEDMATH PROGRAM

The KKC Speedmath Center Philippines, Inc. announces its *Speedmath Program*.

The Program aims to:

1. develop and enhance the pupils and students' self-confidence because of the speed and accuracy with which they will do basic Mathematics operations and solve higher Mathematics problems; and
2. give them a headstart in Mathematics in preschool, grade school, and high school.

It has the following methodologies:

1. *Kamay Matematika* for Elementary Pupils; and
2. Mental Magicmath for Secondary Students

The target participants to this program are the pupils and students from both public and private elementary, secondary schools and tertiary institutions nationwide.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
