BLUEPLATE FOR BETTER LEARNING: A 4K FEEDING PROGRAM
TO BOLSTER SCHOOL PERFORMANCE

The Ateneo Center for Educational Development (ACED), the arm of the Ateneo de Manila University (AdMU) in helping uplift public basic education in the country, will hold a 30-day feeding program called the *Blueplate for Better Learning: A 4K Feeding to Bolster School Performance* in four public elementary schools in Quezon City and in Cainta, Rizal. The ACED provides daily lunch meals to malnourished pupils in public elementary schools for a month.

This program is currently on its second year and will continue to expand in other public schools which are the beneficiaries.
