### ENRICHING SCIENCE EDUCATION THROUGH THE PROGRAMS AND ACTIVITIES OF MAD SCIENCE-PHILIPPINES

The Mad Science-Philippines announces its fun, interactive and dynamic science programs and activities, as follows:

Program	Description
In-Class Workshops	The pupils/students will enjoy interactive activities through presentation that enrich schools' Science curricula.
Special Events	These will be energized them with a spectacular, amazing, educational and transition activities.
After School Programs	They will be able to understand complex experiments. All the mysteries of Science are there to be discovered and learned even outside class hours.
Summer Camps/ Workshops	They will have so much fun that they will forget they are actually learning
Birthday Parties	Both kids and kids-at-heart have a scienterrific fun.

The conduct of these programs and activities aims to:

1. provide pupils/students with a unique learning experience through workshops, summer camps, after school programs;
2. offer schools a more convenient alternative to field trips;
3. share a phenomenal event during Science Month and other school festivals, celebrations;
4. inspire them to become future scientists; and
5. participate in edutainment events (mall and school activation programs)

Pupils, students, teachers, science educators, science club advisers and organizations are invited to attend the said events.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*. This activity is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities* (Ganzon Law).
