FIRST GLOBAL EDUCATORS CONGRESS

The Eton International School will hold its *First Global Educators Congress* with the theme *Creating Schools that Rock ASEAN 2015* on September 13-14, 2013 to be held at the Summit Hall, Philippine International Convention Center (PICC), Manila.

The Congress aims to:

1. shift challenges of the participants (parents, teachers, school owners and administrators) to fast track opportunities which will arise from the K to 12 Program implementation and ASEAN 2015 integration;
2. shape educators' knowledge, skills and understanding to be equipped globally, competitively and internationally; and
3. serve as a network of international, local and regional schools which collaborate for the benefit of the global children.

The target participants to this activity are teachers, school owners and administrators from both public elementary and secondary schools nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
