8TH PHILIPPINE SUDOKU SUPER CHALLENGE (PSSC)

The Mathematics Trainers' Guild (MTG), Philippines in coordination with the Philippine Star and SM Supermalls will launch its *8th Philippine Sudoku Super Challenge (PSSC)*.

The Competition aims to:

1. promote the number puzzle to the youth for purposes of developing their reasoning ability;
2. enhance their mental and critical skills necessary to solve life's problems effectively; and
3. offer them a good alternative to spending enjoyable, educational and productive past time.

The elementary pupils and secondary students from both public and private schools are invited to participate in these categories: Sudoku Whiz (Elementary Level) and Sudoku Wizard (High School Level). Interested Sudoku enthusiasts must answer and submit at least 20 original cut-outs of Sudoku puzzles within *August 31, 2013 to October 12, 2013* in the Philippine Star. The original cut-outs, which are to be submitted not later than *October 12, 2013* to the nearest MTG center coordinators, are their individual entries to qualify for the elimination round.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
