GENETICS CAMP 2014

The University of the Philippines Los Baños (UPLB) Genetics Society will hold the *Genetics Camp 2014* with the theme *GENEovation: Paving the Way for Medical Improvement Through Pharmacogenomics* on January 18-19, 2014 at the Institute of Biological Sciences, UPLB, Laguna.

The Camp aims to:

1. encourage creative appreciation of the science of Genetics and highlight its potential contributions to the advancement of the nation;
2. serve as a venue for students to learn more about genetics and its background, applications and implications in the society;
3. help them to acquire new knowledge in the different areas from the camp; and

A maximum of 8 secondary students and 2 teachers per school, particularly those with Biology subject in their curriculum are invited to attend this activity.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
