SCIENTIFIC SEMINAR YEAREND REFLECTION AND PRE-CHRISTMAS FELLOWSHIP  
OF THE PHILIPPINE PRIVATE SCHOOL HEALTH OFFICERS' ASSOCIATION,  
INCORPORATED (PSHOA)

The Philippine Private School Health Officers' Association, Incorporated (PSHOA) will conduct its *Scientific Seminar, Yearend Reflection and Pre-Christmas Fellowship* with the theme **FAITH (Fortifying Access to Intelligent Total Health Care) in School** on December 7, 2013 at the Center for Education and Arts of GlaxoSmithKline (SK), Chino Roces Avenue Extension, Makati City.

The Scientific Seminar Reflection and Fellowship aim to:

1. consecrate one's life to God as the participants pay reverence through the celebration of the Holy Eucharist as a manifestation of thankfulness for all the blessings;
2. enable them to strive once again to expand the knowledge and outlook in improving the health services through scientific sessions;
3. enrich their ability to make the workplace (school clinic) an access to total health care; and
4. provide an avenue for socialization among the members through games, fellowship and gift-giving and thus strengthening camaraderie in the PSHOA family.

The school health personnel (physicians, dentists, nurses and allied workers) as well as school heads/administrators from both elementary and secondary levels are invited to attend said events.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
