#### JUNIOR PHYSIKLABAN 2014

The Physics Society of Adamson University (PSAU) will hold its 15<sup>th</sup> *Inter High School Competition* entitled *Junior Physiklaban 2014* on January 18, 2014 from 8:00 a.m. to 5:00 p.m. at the Adamson University, 900 San Marcelino Street, Ermita, Manila.

The Competition aims to enhance and to contribute to the development of each secondary student in improving his/her physics intellectual ability not just in analytical way but also in other factors which could completely develop their excellence and mastery in Physics. Specifically it aims to:

1. expose the competence for both junior and senior high school student-participants in developing their mental capability especially in the field of Physics;
2. emphasize the significance of Physics as the basic science in aiding the development of their country;
3. encourage them to take on the challenge of being the future scientists;
4. develop the self-confidence and camaraderie between the participating youth and mentors by having a meaningful intellectual interaction; and
5. establish self-awareness among the participants in choosing their preferred field and dream path in preparation for their college education.

The Competition is open to all junior high school students from both public and private schools in Regions III, IV-A and the National Capital Region (NCR).

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
