2015-2016 FULBRIGHT-PHILIPPINE AGRICULTURE SCHOLARSHIP PROGRAM (FPASP)

The Philippine-American Educational Foundation (PAEF), also referred to as the Fulbright Commission in the Philippines announces the competition for the *2015-2016 Fulbright-Philippine Agriculture Scholarship Program* (FPASP) for advanced research awards in agriculture and fisheries in the United States (US). Applications for these grants will be received by the Philippine-American Education Foundation (PAEF) until *June 30, 2014*.

The Program aims to:

1. modernize the agriculture and fisheries sectors of the Philippines;
2. pursue particular fields of study/research; and
3. develop leaders in agriculture and fisheries, who can contribute to promote better understanding between the Philippines and the US.

The Scholarship is open to all Filipino professionals, researchers, faculty, or doctoral students specializing in agriculture, fisheries and forestry fields to conduct advanced research or non-degree doctoral dissertation research in the US.
