FIRST LEGO LEAGUE (FLL) PHILIPPINES

The FELTA Multi Media, Inc. in cooperation with the Department of Science and Technology-Science Education Institute (DOST-SEI) will conduct the *First Lego League (FLL) Philippines* with the theme *Nature's Fury* on February 22, 2014 at the Quezon City Science Interactive Center, Nueva Ecija St., *Bago Bantay*, Quezon City.

The Competition aims to:

1. support the Philippine's aggressive campaign towards the promotion of science and technology interests among the youth, particularly, in robotics as one of the new alternative media of effective learning;
2. integrate interplay of instructivism and constructivism as an effective medium in teaching robotics towards the discovery of promising robotics-scientists;
3. create and strengthen harmonious relationship and camaraderie among the participating schools, its students and educators nationwide; and
4. offer new perspectives and great opportunities in relation to the rising demands of robotics in the local and international scene.

The FLL is a robotic program for children from aged 9 to 16 years old, which engages them in playful and meaningful learning while helping them discover the fun in science and technology.

This whole day activity will be participated in by 14 teams from both public and private elementary and secondary schools nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
