SEMINAR ON DEVELOPING EFFECTIVE SKILLS IN CURRICULUM PLANNING,
CLASSROOM INSTRUCTION AND MANAGEMENT

The Mayfield Montessori Academy will hold its *Seminar on Developing Effective Skills in Curriculum Planning, Classroom Instruction and Management* from May 8 to 9, 2014 at the University of the Philippines (UP) SOLAIR Auditorium, Diliman, Quezon City.

The Seminar aims to:

1. prepare and enhance the roles of teacher-participants for a more effective implementation of their lessons in the classroom;
2. provide them with effective communication skills and the application of computers in the classroom;
3. develop their competencies and skills in curriculum planning and instruction;
4. upgrade their skills and strategies in managing their pupils/students in the classroom; and
5. orient them with a better management of students with special needs who are included in their regular classes.

The target participants are the regular and Special Education teachers, administrators, university and graduate students from both public and private schools, existing and prospective school owners.
