SEMINAR ON FUN SCIENCE AND TECHNOLOGY: INSPIRING THE NEXT
GENERATION OF INNOVATORS

The National Instruments (NI) Philippines, in partnership with the University of the Philippines-National Institute for Science and Mathematics Education Development (UP-NISMED) will conduct its *Seminar on Fun Science and Technology: Inspiring the Next Generation of Innovators* on May 14, 2014 at the UP-NISMED, Diliman, Quezon City.

The Seminar aims to share with the participants how NI's world-class educational hardware and software tools can help Filipino educators in teaching science and technology subjects from Grades 9 to 12.

The target participants are science curriculum writers, regional science high school principals, science coordinators or science supervisors and schools division superintendents from both public and private secondary schools.

The deadline for registration is on *May 7, 2014*.
