## CALL FOR PAPERS FOR THE THIRD NATIONAL CLIMATE CONFERENCE

The National Academy of Science and Technology (NAST), Philippines, in partnership with the OML Center, Philippines announces the *Call for Papers for the Third National Climate Conference* with the theme *Climate-Related Risks and Disasters* on September 25, 2014.

The Conference aims to:

1. discuss, develop and promote response to climate-related risks and disasters to the participants;
2. provide them with a venue for sharing of scientific results and findings;
3. identify priority research and development agenda;
4. discuss to them policy implications of research outputs; and
5. identify key messages for communication materials.

Interested presenters are requested to submit their papers or posters relevant to the Conference theme on the following topics:

1. Climate Trends and Implications to Disaster Risk Reduction (DRR);
2. Increasing Risk and Exposure in Landscapes, Seascapes, and Vulnerable Sectors (indigenous people, minority and urban poor);
3. Demography and Migration;
4. Urban Growth, Building Urban Centers/Resiliency;
5. Community-based Disaster Response;
6. Available Technologies and Communication Tools;
7. Early Warning Systems; and
8. Lessons from *Ondoy*, *Habagat*, *Pablo*, *Yolanda*, among others.

The Filipino scientists or authors of Climate-Related Risks and Disasters from Luzon, Visayas and Mindanao are invited to participate in this activity.

Authors are requested to send their abstracts on or before *July 31, 2014* through email address: [2014climateconferenceabstract@gmail.com](mailto:2014climateconferenceabstract@gmail.com). They will be notified whether their abstracts are accepted or rejected via email starting *August 15, 2014*. Poster presentors will be given further instructions. The traditional posters shall be the standard entries to the Third National Climate Conference Poster Session.
