EIGHT SCIENTIFIC CONFERENCE OF THE PHILIPPINE SOCIETY FOR THE STUDY
OF NATURE-NORTHERN LUZON (PSSN-NL) CHAPTER

The Philippine Society for the Study of Nature-Northern Luzon (PSSN-NL) Chapter will conduct its *Eight Scientific Conference* with the theme *Sustainable Human Interactions with the Environment: Promoting Best Practices and Sharing Experiences* from November 19 to 22, 2014 in Dagupan City.

The Conference aims to:

1. provide sound scientific knowledge, technology and a dynamic system-based framework that enables management of human activity on a sustainable basis through the following:
 - a. identifying more efficient ways and means of building capacity and ensuring acceptable quality of life for people; and
 - b. presenting lessons learned and identify success factors relative to minimizing the ecological impact of human activity to levels natural systems can sustain;
2. serve as a forum for cross-sectoral and multidisciplinary dialogue between scientists, educators, engineers, environmentalists, social and gender scientists, concerned citizens, and policy makers on issues related to promoting a sustainable society.

The target participants are scientists, engineers, mathematics and modeling experts, educators, gender and development advocates, environmental managers and students from all over the Northern Luzon, nearby and other regions, and all divisions nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
