## FIFTH SCIENCE FILM FESTIVAL

The Goethe-Institut will hold its *Fifth Science Film Festival* with the theme *Future Technologies* from November 4 to December 14, 2014.

The Festival aims to promote science literacy and facilitate awareness of contemporary scientific, technological and environmental issues through the medium of film and television content and to address diverse issues such as science in everyday life, climate change, ecology and environment, life science, natural science and technology, as well as culture and history.

The students from both public and private secondary schools especially the Regional Science High Schools (RSHSs) and the Science, Technology and Engineering (STE) implementing schools are invited to watch the films.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*. This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities*. (Ganzon Law)
