The Mathematics Trainers' Guild (MTG), Philippines, in coordination with the SM Supermalls and Phoenix Publishing House Inc., will launch its *Ninth Philippine Sudoku Super Challenge (PSSC)*.

The Competition aims to:

1. promote the number puzzle to the youth for the purpose of developing their reasoning ability;

3. offer them a good alternative to spending enjoyable, educational and productive past time.

The elementary pupils and secondary students from both public and private schools are invited to participate in these categories: Sudoku Whiz Kid (Elementary Level) and Sudoku Wizard (High School Level). Interested Sudoku enthusiasts from private schools may coordinate with the MTG center coordinators in their respective areas for the entry and registration procedures for the elimination round.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
