2015 INTERNATIONAL CONFERENCE-WORKSHOPS ON THE TWENTY-FIRST CENTURY EDUCATION

The Guro Formation Forum (GFF) Inc. will conduct its *2015 International Conference-Workshops on the Twenty-First Century Education* with the theme *The Twenty-First Century Education: Promoting the Learner-Focused Paradigm* from February 27 to March 1, 2015 at the Waterfront Hotel and Casino, Cebu City.

The Conference-Workshops aim to:

1. help the participants identify and describe who the 21st century learner is in view of the right-based principle;
2. allow them to present global perspectives of the Learner-Focused Paradigm;
3. help them identify methods, strategies and techniques of the Learner-Focused Paradigm relevant to participant's regional and socio-economic situations;
4. provide them with a venue for critiquing teaching strategies in view of the Learner-Focused Paradigm; and
5. help them develop an action plan that will uphold the Learner-Focused Paradigm in the 21st century.

The national and international educators, researchers, schools division superintendents, school administrators/managers, faculty and students from both public and private secondary schools are among the target participants.

Participation from both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
