#### INTERNATIONAL SEMINAR IN SCIENCE EDUCATION

The Association of Educators for Interrelated Research and Studies (AEIRS) will conduct its *International Seminar in Science Education* with the theme *Exploring the World by Meeting the Challenges of Science and Technology* on the following dates and venues:

Date	Venue
February 20, 21, 22, 2015	Cebu City
February 27, 28, and March 1, 2015	Baguio City
March 6, 7, 8, 2015	Davao City

The Seminar aims to:

1. help the Science educator-participants identify the global challenges of Science and Technology;
2. enable them to explore current innovations as basis for further changes and development through investigatory projects;
3. empower them to build a nation of Science to become globally competitive; and
4. encourage them and their learners to continue conducting experiments for new discoveries.

The target participants are school administrators, supervisors, school principals, head teachers, coordinators, and school teachers from both public and private elementary and secondary schools nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

More information may be inquired from:
