AND INSTRUCTION (WCCI)

The World Council for Curriculum and Instruction (WCCI) will hold its *31st National Convention* with the theme *ASEAN Integration: Opportunities for Peace and Global Education* from February 5 to 7, 2015 at the Bayview Park Hotel, Roxas Boulevard, Manila.

The Convention aims to:

1. allow the participants to explore opportunities for growth and development individually and collectively by approaching the ASEAN economic integration as a harbinger of peace and global education;
2. enable them to identify approaches for curriculum and instruction in order to produce well-equipped graduates who can ably live and work well on the demands and expectations brought about by the ASEAN economic integration; and
3. encourage them to advocate for a balanced teaching of the soft and technical skills so that education of the heart and soul can make them re-think the dignity of humanity on a platform of peace and justice and the integrity of all creations having God as the great source of Being in the universe.

The target participants are educators, leaders, stakeholders of education from both public and private schools, among other lawmakers, policy makers and renowned practitioners in the field.
