THIRD ANNUAL SEARCH FOR THE MOST OUTSTANDING SCIENCE CLUB

The Philippine Society of Youth Science Clubs (PSYSC) Inc. announces the conduct of its *Third Annual SEARCH for the Most Outstanding Science Club (SEARCH)*. The SEARCH is comprised of the following two major events:

1. *The Competition*

The Competition is conducted in the month of March of every school year. It aims to find and recognize the Science Club with the most innovative project that has significant impact and understanding of service to the country through Science and Technology.

2. *The SEARCH Convention*

The Convention is a one-day leadership and training seminar for students. It aims to serve as a culminating event of the Competition where finalists for the SEARCH will present their major projects and the Most Outstanding Science Club of the country will be determined at the end of the Convention.

This will be held on *March 7, 2015* at the University of the Philippines, Diliman, Quezon City.

The target participants for the SEARCH Convention are members and advisers of Science Clubs from all over the country, regional council chairpersons, Science club members and advisers who will register for the SEARCH, and the finalist for being the nation's Most Outstanding Science Club.

Interested Science Clubs may submit a duly accomplished registration form at <http://tiny.cc/regtosearchcov>.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
