PROJECT BCON OF THE iACADEMY

The iACADEMY together with the IdeaSpace has launched the *Project BCON* that geared towards identifying high school students who have the aptitude for business.

The Project BCON aims to:

- a. provide unique training opportunities for students;
- b. bring them together to share ideas and build products; and
- c. ultimately give them the opportunity to bring these ideas into reality.

All high school students from both public and private schools are invited to join the Project.

The deadline for submission of BCON Call for Business Ideas and Proposals is on *March 6, 2015*, with the culminating event scheduled to take place on *March 12, 2015*.

After the submission period, iACADEMY and IdeaSpace will deliberate upon the entries and announce the list of finalists. The finalists will then be called on to have a *two-day workshop with mentors* provided by the organizers to guide them in developing their business proposals. The winners will be given the chance to *attend the mentoring sessions, networking events and other workshops* conducted by IdeaSpace, as well as *scholarship grants* from iACADEMY.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
