#### INTERNATIONAL CONFERENCE IN MATHEMATICS EDUCATION

The Philippine Council of Mathematics Teacher Educators (MATHTED) Inc. will hold its *International Conference in Mathematics Education* with the theme *Understanding the Dynamics of an Innovative and Responsive Mathematics Education* on May 11, 2015 at the Waterfront Hotel, Lahug, Cebu City.

The Conference aims to:

1. update Mathematics educators and specialists on the current trends and issues concerning Mathematics education and research;
2. enable them to identify appropriate and effective teaching and research approaches which can be utilized in the Mathematics classroom for students at different levels;
3. help them strengthen their commitment in promoting understanding, interest, and appreciation of Mathematics;
4. provide them with a venue to work together and share their knowledge in teaching approaches and researches which could contribute to an improved Mathematics education in the country and throughout the world; and
5. inform them about the current pedagogical innovations and curricular issues, and how these can affect their teaching and research activities.

The target participants are Mathematics teachers, teacher-educators and researchers, supervisors and administrators from both public and private schools nationwide.
