## PARTICIPATION IN THE 2015 MILO MARATHON

Throughout the years, Milo has inspired athletic excellence and active lifestyle for generations of families. As such, Milo now shares its heritage and success in order to build a strong nation of champions, and it encourages an active and healthy lifestyle among school children. Started nearly four decades ago, the Milo Marathon has made its mark in the Philippines by being the first marathon to be considered as one of the major national sports event. The event has over 230,000 participants on the following race schedule:

It has become Milo Marathon's advocacy to give shoes to underprivileged school children. With the *Help Give Shoes Movement 2015*, a portion of every runner's registration fee is put into a collective pool, which is then doubled by Milo with its own monetary donation. The total amount raised is used to buy running shoes donated to *shoes-less* public school children who are chosen based on their academic performance and athletic potential.
