CALL FOR PARTICIPATION OF THE FILIPINO YOUTH IN THE GLOBAL SCRIBES (GS)
PROGRAMS AND PROJECTS

The *Global Scribes (GS)*, a nonprofit and nongovernment organization under United Nations Educational, Scientific and Cultural Organization (UNESCO) was launched in 2014.

The GS aims to foster global unity by connecting youth to build cultural understanding and worldwide community through the beauty and the power of the written word and creative expressions.

At present, there are 11 Filipino youth subscribers in the GS website. The organization provides an opportunity for the Filipino youth to promote Philippine culture, traditions and behaviors to other youth of different nationalities around the world.

The GS's most urgent project is a video entry for the Blue Ocean Film Festival in which the Filipino youth certainly have a wealth of material to share. The GS Team will choose a video which will be featured at the Opening of the Film Festival and will appear on the wall of the Oceanographic Museum of Monaco.

The Filipino youth are encouraged to participate in the GS programs and projects.

Further details about the Festival may be viewed at www.blueoceanfilmfestival.org.
