#### FIRST PHILIPPINE ENVIRONMENT SUMMIT OF THE GREEN CONVERGENCE

The Green Convergence will conduct its *First Philippine Environment Summit* with the theme *Breakthroughs and Innovations Towards Sustainable Development* from February 9 to 11, 2016 at the SMX Mall of Asia, Pasay City.

The Summit aims to:

1. disseminate information to the public on the developments, achievements, challenges, programs and projects in the areas of food safety, environment and natural resource protection and conservation, and sustainable economy;
2. strengthen and energize between and within the public and private sector, and within and across various sectors and groups in relation to food safety, environment and natural resource protection and conservation, and sustainable economy;
3. formulate policy recommendations on food safety, environment and natural resource protection and conservation, and sustainable economy; and
4. showcase convergence initiatives between and/or among government organizations, civil society organizations, business, and other sectors of society on food safety, environment and natural resource protection and conservation, sustainable development creation.

The target participants are teachers and school administrators from both public and private schools, members of academe, civil society organizations, leaders of government and business, environmentalists, and other interested individuals and institutions.
