#### ROBOTICS WORKSHOPS OF THE EDUCATION PRODUCTION AND TRAINING SERVICES (EPTS) INC.

The Education Production and Training Services (EPTS) Inc. formerly Educational Production Management Services (EPMS) will conduct the *Robotics Workshops* in various schools for the School Year (SY) 2016-2017.

The Workshop aims to:

1. provide the student and teacher-participants with new learning experiences through the use of modern technology;
2. present to them the many applications of technology in research;
3. enable them to develop teaching strategies in robotics;
4. provide an avenue to discover and enhance talents of students and teachers keen on robotics; and
5. prepare them for national and international robotics competitions.

The target participants are students and teachers both from public and private schools nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2015 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
