International Mathematics and Science Olympiad	November 1-7, 2016	Tangerang City, Indonesia
International Youth Mathematics Conference	December 2-5, 2016	Lucknow, India

The Competitions aim to:

1. provide the Filipino learner-participants with appropriate venues to enhance their skills through the participation in the international Mathematics, Science and Sudoku competitions;
2. develop their Mathematics and Science potentials to meet the international Mathematics and Science standards;
3. prove to other participants that they can stand at par with the world's best in Mathematics and Science; and
4. promote the Filipino culture and heritage to the world's youths.

The target participants are students or trainers who underwent the series of training programs which culminated in the month-long *2016 Mathematical Olympiad Summer Training Program* held at the Hope Christian High School, 1242 Benavidez Street, Sta. Cruz, Manila.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
