#### 4th EDUCATIONUSA GUIDANCE COUNSELOR CONFERENCE

EducationUSA (EdUSA), supported by the US Department of State, is an educational advising network in more than 170 countries worldwide. It serves as a free resource for students and local educators interested in accessing accurate, comprehensive, and current information on US higher education. It helps students navigate the five steps to US study: (1) researching schools, (2) finding sources of funding, (3) completing the application, (4) obtaining a student visa, and (5) preparing for departure.

EdUSA will conduct its 4th EducationUSA Guidance Counselor Conference on October 11 and 12, 2018 from 9:00 a.m. to 5:00 p.m. in Manila. The exact address of the venue will be sent to the registrants eligible for each of the conferences.

On Thursday, October 11, 2018 EdUSA will host a conference for new guidance counselors to study abroad. Prospective participants are those who have not yet attended any previous counselor trainings and workshops about career counseling abroad.

On Friday, October 12, 2018, returning guidance counselors who have previously attended EdUSA conferences and workshops will attend a whole-day program to understand the US admission process and its elements in-depth.

Those who are interested in accessing accurate, comprehensive, and current information on US higher education are encouraged to join the event. The event is free and open to local school counselors and teachers as well as administrators who are actively advising students about their college options.
