NATIONAL SEMINAR-WORKSHOP ON RESEARCH, STATISTICS, AND
MEASUREMENT WITH SOFTWARE APPLICATIONS OF THE
EINS REVIEW AND CONSULTANCY CENTER

The Eins Review and Consultancy Center will conduct the National Seminar-Workshop on Research, Statistics, and Measurement with Software Applications from December 21 to 23, 2018 at the Kew Hotel, Tagbilaran City, Bohol.

The activity aims to:

1. enhance the competence of the participants in writing scholarly researches,
2. train the participants to use appropriate statistical models for their research,
3. train them on how to use statistical and measurement software to analyze actual research data, and
4. widen their opportunities and options for professional growth through membership in research associations.

The target participants are administrators, researchers, professors, and graduate students, as well as administrators and teachers from DepEd, including schools superintendents, supervisors, principals, subject area coordinators or head teachers, and teachers at all levels.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
