DepED MEMORANDUM
No. 312, 2006

CURRENT TRENDS IN READING PEDAGOGY

To: Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Secondary Schools

1. Literature shows how language is used in authentic contexts. The authenticity of the language of literature in the natural way it is uttered encourages the students to talk and share more freely about their opinions, ideas, and feelings on important issues at hand.
2. In order to stimulate language acquisition and development in schools, the Bureau of Secondary Education (BSE) in cooperation with the British Council (Philippines), shall conduct a four-day training program that will promote the capacity of secondary schools to sustain a schoolwide literary culture. The training will be held in three regional clusters, namely, Luzon Cluster (October 8-13, 2006 at Teachers Camp, Baguio City); Visayas Cluster (October 15-20, 2006 at Ecotech Center, Cebu City); and Mindanao Cluster (October 22-27, 2006 at Grand Men Seng Hotel, Davao City). Schools included in these regional clusters are advised to adjust the schedules of their semestral breaks to fall within the period of their attendance to this training program. This sem-break adjustment is being made pursuant to DepED's time-on-task policy.
3. For the purpose of modeling, the schools that have been identified are those that can serve as lead schools in the division in sustaining the literary culture. The schools are listed in the enclosure.
4. Interested participants from the private schools may make special arrangements with their respective heads should they want to attend the said training. All expenses to be incurred by the participants coming from the private schools shall be shouldered by the participants.
5. The participants from each of the identified schools shall be the principal, one teacher in each of the following learning areas: English, Science, Math, TLE, and MAPEH (Health). The participants from the division shall be the Assistant Schools Division Superintendent, and from the region, it shall either be the Chief or the Assistant Chief of the Secondary Education Division.

6. The actual transportation expenses, board and lodging of the participants, extra duty allowance, honorarium of resource persons, and consultant and other expenses of BSE staff, and resource speakers, supplies and training materials shall be charged against DepED Funds, subject to the usual accounting and auditing rules and regulations.
7. For more information, please contact Mr. Fernando M. Pantino of BSE at telephone numbers (02)632-7746 and 636-5172.
8. Immediate dissemination of this Memorandum to all concerned is desired.

JESLI A. LAPUS
Secretary
