DepED MEMORANDUM

No. 12, s. 2007

CONDUCT OF ECHO TRAINING ON THE SCHOOL MAPPING EXERCISE
AND ORIENTATION OF THE GIS-BASED SCHOOL PROFILE SYSTEM

To: Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Elementary and Secondary Schools

1. The Department of Education, through the Physical Facilities and Schools Engineering Division (PFSED) launched the DepED School Mapping Exercise Project nationwide and simultaneously conducted the orientation on the GIS-Based School Profiling System, utilization and proper filling up of survey tools. The mechanics of implementation of the School Mapping Exercise and GIS-BASED School Profiling Project is contained in DepED Memorandum No. 362, s. 2006.
2. One of the outputs expected from participants is the conduct of information dissemination on what were taught during the activities in their respective regions/divisions given the national plan of action and electronic copies of all the theories taken up as basis in scheduling and undertaking the project down the school level.
3. In view of this, the conduct of echo training, information dissemination on the School Mapping Exercise and the orientation on the GIS-Based School Profiling System at the Region/Division and School Levels is necessary to ensure the efficient and effective implementation of the project. The Office of Physical Facilities and Schools Engineering Division, Office of Planning Service (PFSED-OPS) will provide speakers/resource persons and technical assistance during the Echo Training upon invitation from the regions/divisions.
4. Participants to the Echo Training are Assistant Schools Division Superintendents, Administrative Officers, Supply Officers, Planning Officers, Physical Facilities Coordinators, District Supervisors, Public Elementary and Secondary School Principals.
5. The creation of a School Mapping Committee at the region/division/district and school levels is necessary to properly organize the system and delineate functions, duties and responsibilities of each member to ensure smooth implementation of the project.

6. Expenses relative to the echo training are chargeable against local funds, while the Central Office shall provide electronic copies of the survey tools and speakers/resource persons. The GIS-Based School Profiling System survey tools provided in CD forms shall be reproduced and distributed to the School Heads/Principals by the region/division.
7. Immediate and wide dissemination of this Memorandum is desired.
