DepED MEMORANDUM No. 100, s. 2007

## MAINSTREAMING DISASTER/RISK REDUCTION CONCEPTS IN THE SECONDARY CURRICULUM

To: Undersecretaries
Assistant Secretaries
Bureau Directors
Directors of Services/Centers and Heads of Units
Regional Directors
Schools Division/City Superintendents
Heads, Public Secondary Schools

- 1. The Philippines was chosen by the Asian Disaster Preparedness Center (ADPC) with Office address at P.O. Box 4, Klong Luang, Pathumthani 12120, Thailand as one of three (3) South East Asian countries to initiate work in the area of Mainstreaming Disaster/Risk Management in the Education Sector by integrating Disaster Risk Reduction (DRR) concepts in the secondary school curriculum.
- 2. The Bureau of Secondary Education (BSE) has undertaken the integration of these concepts in the secondary school curriculum through the Citizenship Advancement Training (CAT). Teacher facilitators, school heads from public secondary schools, barangay officials, regional supervisors/coordinators and the chiefs/assistant chiefs of BSE were oriented on its implementation at Teachers Camp, Baguio City. The objectives of the orientation were:
  - a. orient supervisors, school heads and teacher-facilitators on the course description and its program components and implementation strategies;
  - b. validate the Citizenship Advancement Training (CAT) Modules:
  - c. discuss the new policies and guidelines of the program; and
  - d. clarify issues on time allotment and rating system.
- 3. However, in order to make these modules more effective as instructional materials, there is still a need to update the existing CAT modules; train implementers and core of trainers on how to use these in classroom instruction and conduct an echo training and information dissemination on its implementing guidelines and strategies to teachers. There is also a need to integrate other man-made and natural hazards not included in the CAT modules through the assistance of invited resource persons from partner agencies and institutions, develop a Training Manual/Guide for use during the Echo Training to Teachers, and prepare a Risk Reduction Management Plan.

4. In view of this, the Department of Education through the Bureau of Secondary Education and the Physical Facilities and Schools Engineering Division (PFSED), Office of Planning Service (OPS) will conduct series of trainings in two clusters: Cluster I are the disaster prone areas and Cluster II are areas less prone to disasters. Details as to the schedules and venue are as follows:

| Regions by<br>Cluster   | Dates                       | Venue                            | First<br>Meal             | Last<br>Meal              |

- 5. The newly created Mainstreaming Risk Reduction Committee and the Technical Working Group shall take charge of the overall project management. Composition and members of the Committee and the Technical Working Group are identified in Enclosure No. 1.
- 6. Target participants to the series of trainings are:
  - a. Regional and Division CAT Coordinators;
  - b. Regional Area Supervisors/Teacher Facilitators;
  - c. Regional and division Chairman of the Calamity/Disaster and Fire Control Group (CDFCG); and
  - d. Regional Physical Facilities Coordinators
- 7. The objectives of the series of mainstreaming trainings are to:
  - a. prepare additional modules on man-made and natural hazards, their mitigation / prevention measures;
  - b. train Regional/Division CAT Coordinators, Regional Area Supervisors and Teacher Facilitators on how to teach these concepts through the use of modules;
  - c. develop a Training Manual/Guide for use during the Echo Training to Teachers;
  - d. conduct an Echo Training advocacy and information dissemination on the risk reduction concepts integrated in the secondary school curriculum (how these are being taught, time allotment, rating system and teaching strategies); and
  - e. prepare a Risk Reduction management Plan.
- 8. Outputs of the trainings are:
  - a. awareness and knowledge on the nature of natural and man-made hazards and their mitigation / prevention measures;

- b. awareness and knowledge on the integrated concepts in the curriculum, how these concepts are being taught, time allotment, rating system and teaching strategies;
- c. modules on natural and man-made hazards:
- d. Core of trainers who will conduct echo-training to teachers;
- e. Training Manual/Guide; and
- f. Risk Reduction Management Plan.
- 9. The estimated budget to defray expenses relative to the undertaking is Two Million Three Hundred Fifty Two Thousand Six Hundred Pesos (PhP2,352,600.00), chargeable against OSEC funds, subject to the usual accounting and auditing rules and procedures. The estimates include board and lodging, function hall, rentals, learning kits, supplies and contingencies, communication allowance, honoraria and extra essential allowances, and transportation allowances of Central Office Staff. Transportation allowances of regional and division participants are chargeable against local funds subject to the usual accounting and auditing rules and procedures.
- 10. Enclosure No. 2 are the list of participants while Enclosure No. 3 contains the Program of Activities.
- 11. Wide dissemination of this Memorandum to all concerned is desired.
