They are likewise expected to be present in selected schools during the caravan visit to assist the volunteer private dentists, dental students, and representatives from CPPI and dental colleges.
4. All expenses related to the project will be funded by CPPI. Hence, food and snacks for volunteers (private dentists and dental students) and other needed dental supplies shall be provided by CPPI.
5. To maximize the benefits of the project and ensure the active participation of all Grade I pupils, school heads, prior to the visit of the dental caravan, are enjoined to:
  - a. conduct information dissemination and advocacy about the project to raise awareness and involvement of parents; and
  - b. confirm participation through submission of completed parental consent by all Grade I pupils.
