SUMMER ACTIVITIES OF SCHOOL HEALTH AND NUTRITION PERSONNEL

To: Bureau Directors
Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Elementary and Secondary Schools

1. All school health and nutrition personnel shall perform the following activities during the months of April and May:

a. assist in the implementation of division action plans to raise participation rate:

- secure and analyze family mapping data to identify households with school-aged child/children not in school;
- visit families with school-aged children not in school and motivate parents to enrol their children;
- conduct physical examination on the child and if possible, institute intervention measures on ailments; and
- coordinate with school principals on the enrolment of children.

b. conduct health examination of teaching and non-teaching personnel;

c. intensify casefinding and compliance to tuberculosis (TB) treatment through the Directly Observed Treatment Short-Course (DOTS) strategy;

d. prepare project proposals and conduct meetings with local government officials to advocate the Essential Health Care Program (EHCP); and

e. orient other health personnel and teachers on the World Health Organization – Child Growth Standard (WHO-CGS).

2. The schedule of visit to schools shall be prepared by the concerned personnel, in close coordination with the school administrators and district supervisors, to be duly approved by the schools division superintendents.

3. Funds for the travel expenses of health personnel shall be provided by the division. Augmentation travel funds will be downloaded by the Health and Nutrition Center (HNC) to ensure full mobilization of personnel.

4. The Regional Health and Nutrition Unit staff are expected to monitor the conduct of the summer activities and include it in their 2nd quarter report.

5. Immediate dissemination of this Memorandum is desired.
