DECS O R D E R  
No. 110, s. 1991

MAKING DISTRICT SUPERVISOR AND DIVISION EDUCATION SUPERVISOR  
POSITIONS COTERMINOUS WITH THE INCUMBENTS

To: Undersecretaries  
Assistant Secretaries  
Bureau Directors  
Regional Directors  
Directors of Services/Centers and Heads of Units  
Schools Superintendants

1. It may be recalled that in 1990 a policy was announced during one of the regular regional directors' meeting that effective January 1, 1991 the positions of District Supervisor and Division Supervisor will be gradually phased out by not filling up these positions as they become vacant. This Office hereby reiterates this policy which is primarily guided by considerations of greater economy, efficiency, and effectiveness of school field supervision. All Division Education Supervisor and District Supervisor positions once vacated by the incumbents shall be abolished and deleted in the Personal Services Itemization (PSI) of each respective division for the appropriate calendar year. There shall be no transfer of positions from district to district.

2. The savings resulting from these positions shall be used to elevate the salary levels of principals.

3. To foster better coordination and articulation of programs in the elementary level, all Elementary School Principals shall report directly to the Schools Division Superintendent.

4. Regional Directors and Schools Superintendants are enjoined to strictly conform with this policy and to adjust field supervision accordingly through greater reliance on School Principals.

5. Details of this concept will be worked on and will be released as soon as possible.
