No. 69, s. 2017

To: All Schools Division Superintendents  
SGOD and CID Chiefs  
SBM Coordinators

**The School-Based Management Assessment Tool with Contextualized MOVs  
and Artifacts for Validation**

1. Corollary to the SBM activities that RFTAD has conducted with all the SGOD Chiefs and SBM Coordinators which aimed at contextualizing the SBM Assessment Tool per Deped Order 83, Series of 2012, the Department of Education Region 3 disseminates the School-Based Management Assessment Tool with Contextualized MOVs and Artifacts for Validation.
2. The crafting of a contextualized SBM Assessment tool is in preparation for the Assessment of SBM level of practice in our Schools Division Offices (SDO) this SY 2017-2018 which aimed at responding to the needs of the diverse school typology from the twenty divisions in Region 3.
3. Since the validation and assessment for SBM Level of Practice is an evolving process which involves different challenges in governance and accountability, contextualizing the assessment tool is significant to make it more responsive to the types and context of the schools to ensure greater efficiency and effectiveness for the provision of quality technical assistance to help them raise their achievement level.
