KAPNAYAN 2019 OF THE UNIVERSITY OF THE PHILIPPINES LOS BAÑOS
CHEMICAL SOCIETY

The University of the Philippines Los Baños (UPLB) Chemical Society will hold its Kapnayan 2019 with the theme Sustainable Development Through Advancements in Green Chemistry and Renewable Energy Technology from January 14 to 19, 2019 at the UPLB, Laguna.

The event aims to expose the learners on the wide range of opportunities in Green Chemistry and renewable energy technology, as well as its role in achieving a more sustainable future.

The event will feature different activities such as seminars, exhibits, audio-visual presentations, educational tours and nature trips, extemporaneous speeches, essay writing, investigatory projects, poster-making contests, photo contests, the Chemical Magic Show, and the much anticipated nationwide Chemistry Quiz Contest.

The target participants are learners from public and private secondary schools.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
