**REGIONAL ADVISORY**

No. 026 s. 2017

**Participation to Panubason 2017**

To: Schools Division Superintendents

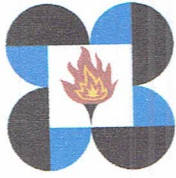

Attached is the letter of Dr. Aris Larroder, Organizer of Panubason 2017 dated Feb. 2, 2017, inviting high school Science teachers and students to participate in the scientific congress on **February 22, 2017** at **Philippine Science High School Auditorium, Bito-on, Jaro, Iloilo City**.

Participants to this activity are preferably research teachers (one per school only) and two Special Science Class students. Teaching load of the teacher-participants should be taken over by other teachers so as not to disrupt classes.

For immediate dissemination.

Date: 2/2/17 

Dear Ma'am Ledesma,

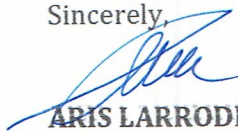

Greetings from Philippines Science High School Western Visayas!

Our school will celebrate its 25<sup>th</sup> Foundation Day this month of February. To commemorate the event, we will hold a two-day scientific congress, dubbed as Panubason 2017, on February 22 in our school auditorium. One of the objectives of the Congress is to present the research findings of our prominent alumni to the local community and the country. It will also serve as an avenue for various stakeholders to discuss a wide range of topics in the field of science, math, engineering and technology research. Most importantly, the Congress hopes to **provide a formal venue for intellectual discourses between and among scholars and participants of the Congress about the topics presented**. We will also offer a free planetarium viewing to all teacher participants after the Congress.

In this regard, we would like to **invite your high school science teachers to participate in this Congress**. Attached herewith is the detail of the activity.

Thank you very much.

Sincerely,

**ARIS LARRODER**  
Organizer, Panubason 2017

NOTED:

  
**DR. SHENA FAITH M. GANELA**  
Campus Director
