TESDA ACCREDITED

January 18, 2017

Dr. Ramir Barberan Uytico  
OIC Regional Director  
Department of Education-Regional Office No. VIII  
Candhug Palo, Leyte

Thru: Genis S. Murallos, CESO VI  
Schools Division Superintendent  
DepEd, Division of Baybay City, Region VIII

Dear Director Uytico;

Greetings!

The School Year 2016-2017 is about to end. The Grade 10 students from the different High Schools who will soon complete their Junior High School Education will be in need of proper guidance in choosing a preparatory course for their Grade 11 Senior High School Program.

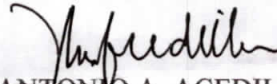

In view of the above, may we ask for a permission from your good office to allow our "ATI Advocacy Team" to have an audience with these Grade 10 students within Region VIII to conduct a career orientation effective January up to April 2017.

The Acedilla Technological Institute is offering Grade 11 & 12 Academic Track & TVL Track wherein the following TESDA Registered Programs are offered, such as: Food and Beverage Services NC II, Bartending NC II, Housekeeping NC II, Beauty Care NC II, and Front Office NC II, so that after their graduation they are already equipped with at least 4 NC II Certificates as a result of quality and world class trainings in order to prepare them in the world of work.

Hoping for your favorable response on this request.

Thank you and more power!

Respectfully yours,

  
ANTONIO A. ACEDILLA  
School President
