**K to 12 BASIC EDUCATION CURRICULUM**

**SENIOR HIGH SCHOOL – CORE SUBJECT**

**Grade:** 11/12  
**Core Subject Title:** Introduction to the Philosophy of the Human Person  
**No. of Hours/ Semester:** 80  
**Semester:** 1  

**Pre-requisite:**

**Core Subject Description:** An initiation to the activity and process of philosophical reflection as a search for a synoptic vision of life. Topics to be discussed include the human experiences of embodiment, being in the world with others and the environment, freedom, intersubjectivity, sociality, being unto death.

**Course objectives:** At the end of the course, the student should be able to:

1. Reflect on their daily experiences from a holistic point of view
2. Acquire Critical and Analytical Thinking skills
3. Apply their critical and analytical thinking skills to the affairs of daily life
4. Become truthful, environment-friendly and service-oriented
5. Actively committed to the development of a more humane society
6. Articulate their own philosophy of life

**Over-all Standard for Grade 12:** The learner should be able to demonstrate a capacity for a critical and analytical reflection from the perspective of a holistic and profound vision of life.

**First Grading Period:** The meaning and method of doing philosophy in relation to the human person as an embodied being in the world and the environment

**Standard Content:** The student should be able to show an understanding of the activity of doing philosophy of the human person as an embodied being in the world and the environment

**Foundational Concept:** Understanding the meaning and process of doing philosophy of the human person as an embodied being in the world and the environment as a means towards a holistic understanding of life.
