Total Price:

Name and Signature of Authorized Representative

Date:

Notes: (i) Column 4 of the Price Schedule Form indicates the estimated price per unit for each of the items in the Lot. Unit price per item plus tax (i.e. cols. 9 + 10) should not be higher by more than 15% of the estimated price per unit. Any bid in violation of this rule shall be automatically reduced to 115% of the estimated price per unit; and (ii) Total Bid Price (i.e Total Lot Price) exceeding the ABC shall be a ground for the rejection of the bid.

Accomplish this form in accordance with ITB Clause 15 and, specifically 15.4(a) thereof. Rates and prices for all the lots described in the Technical Specifications and Schedule of Requirements shall be indicated, therefore, all columns shall be filled-out. Where a required item is provided, but no price is indicated, the same shall be considered as non-responsive and, thus, automatically disqualified. Specify that items are being offered for free to the government by indicating dash (-) or zero ("0") or not applicable (N/A).
