In celebration of #WorldPressFreedomDay, EducationUSA Philippines at the United States (US) Embassy will conduct a free EducationUSA Media Summit for Grades 10 and 11 students on May 10, 2019, Friday from 8:30 a.m. to 3:00 p.m. who would like to study communication, film, or media studies in an accredited US university or college. Successful Filipino US university alumni will join the summit at the American Embassy to share their success stories and discuss the benefits of having a US degree in today's knowledge-based society. Meanwhile, US university representatives will talk about the different communication and media programs, facilities, and career opportunities international students can take advantage of as international students in the US.

EducationUSA advisers will conduct sessions on the Five Steps to US Study, financial aid opportunities, as well as college essays.

This free event is open to all Grades 10 and 11 students. Guardians may accompany the students.
