2019 NATIONAL TRAINING-WORKSHOP ON ITEM/TEST ANALYSIS, STATISTICAL
MODELING, AND EDUCATIONAL RESEARCH WITH SOFTWARE APPLICATIONS
OF THE EINS REVIEW AND STATISTICAL CONSULTANCY CENTER

The Eins Review and Statistical Consultancy Center will conduct the 2019 National Training-Workshop on Item/Test Analysis, Statistical Modeling, and Educational Research with Software Applications from December 19 to 21, 2019 at the Cebu Grand Hotel, Cebu City.

The training-workshop aims to

1. train the participants in conducting test/item analysis using software such as Iteman and XCalibre;
2. help them in choosing the right statistical tests for their research;
3. guide them in using statistical software (such as SPSS, AMOS, WarpPLS) to process and analyze actual research data;
4. enhance their competence in writing educational research; and
5. widen their opportunity and options for professional growth through membership in research association.

Target participants are graduate students, teachers, head teachers, researchers, psychometricians, guidance counselors, subject area coordinators, assistant principals, principals, supervisors, and administrators from basic education institutions.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order (DO) No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
