WORLD FOOD DAY 2019 POSTER CONTEST

The Food and Agriculture Organization of the United Nations (FAO) designated October 16 of every year as the World Food Day (WFD).

This year's theme is Our Actions are our Future, Healthy Diets for a #ZeroHunger World. The WFD calls for action across sectors to make healthy and sustainable diets affordable and accessible to everyone. At the same time, it calls on everyone to start thinking about what we eat.

The communication handbook and materials such as brochure, poster, etc. in support of this campaign are available on the World Food Day website.

In this connection, the Organization invites children and the youth of ages between 5 and 19 to participate in the WFD 2019 Poster Contest. They will use their imagination and create a poster that illustrates their idea of what needs to be done to make healthy diets available for everyone and how each of us can improve our diets.

The deadline for submission of entries is November 8, 2019.

The material in support of this activity is the World Food Day Activity Book. The WFD Activity Book is an educational tool for teachers, students, and anyone who wishes to learn more about the 2019 WFD theme. It should be used to inspire young people who wish to participate in the WFD Poster Contest. At the end of the Activity Book, several simple actions are included so that children and anyone can learn how to have a healthy diet and become part of the Zero Hunger Generation.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
