NATIONAL CAPABILITY BUILDING ON EDUCATIONAL RESEARCH OF THE EDUCATIONAL QUALITY INITIATIVES AND INNOVATIONS TRAINING CENTER

The Educational Quality Initiatives and Innovations Training Center will conduct the National Capability Building on Educational Research with the theme, Basics and Beyond: Research Approaches and Designs, from November 20 to 22, 2019 at the Hotel Supreme, Baguio City.

The activity aims to

1. update participants on the status of research in the country;
2. review them on the research process;
3. explain the process of systematic review of literature to yield gaps or areas for research;
4. explain the different approaches and designs of research; and
5. explain the process of action research.

The target participants are teachers from public and private elementary and secondary schools.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
