RESEARCH FAIR 2020 OF THE UNIVERSITY OF THE PHILIPPINES ACADEMIC
LEAGUE OF CHEMICAL ENGINEERING STUDENTS INC.

The University of the Philippines Academic League of Chemical Engineering Students (UP ALCHEMES Inc.) will conduct the Research Fair 2020 with the theme, Chrysalis: Transforming Youth Potential into Scientific Breakthroughs, from January 30 to February 1, 2020 at the University of the Philippines Diliman Campus, Quezon City.

The fair aims to

- a. showcase the Filipino high school students' innovativeness and ingenuity through scientific research;
- b. provide the researchers a competent set of evaluators for their work that would ultimately engage them in pursuing further improvements on their study;
- c. encourage healthy discourse between students and professionals;
- d. help develop and hone the capabilities of the students through exposure to their specific area of study; and
- e. promote the field of science and technology along with its role in the future of the nation.

The target participants are students, advisers, coaches, and teachers from public and private secondary schools.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
