8th NATIONAL COMPUTER RESEARCH AND ENGINEERING SYMPOSIUM
OF THE POLYTECHNIC UNIVERSITY OF THE PHILIPPINES

The Department of Computer Engineering at the College of Engineering, Polytechnic University of the Philippines (PUP) will conduct the 8th National Computer Research and Engineering Symposium (CoRES) with the theme, The Technological Eureka: Explicating Opportunities and Igniting Ingenuity, from February 5 to 8, 2020 at the PUP Main Campus, Sta. Mesa, Manila.

The CoRES 2020 highlights the following activities:

1. series of seminars,
2. workshops,
3. exhibits, and
4. research presentation.

The activities aims to:

1. bridge students and Information Technology (IT) experts for better learning;
2. disseminate researchers from different universities and colleges;
3. help students to be updated about new emerging technologies,
4. establish a community of IT enthusiasts;
5. promote ICT awareness through exhibit and seminars;
6. acknowledge distinct researchers; and
7. showcase opportunities, which come along with old and emerging technologies.

The target participants are students, IT experts, and researchers from public and private schools.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
